

# THE INTERNATIONAL FULBRIGHT SCIENCE AND TECHNOLOGY AWARD

## APPLICATION FOR STUDY IN THE UNITED STATES

**\*\*READ ALL INSTRUCTIONS AND INFORMATION CAREFULLY BEFORE COMPLETING APPLICATION\*\***

### INSTRUCTIONS

1. All forms in this application are to be completed in English and typewritten in black ink or printed from a computer.
2. Each page of the following application carries its own instructions that should be read carefully before proceeding.
3. Question must be answered completely and carefully. Please limit your responses to the space provided.
4. Completed applications should be returned to the Fulbright Program Office in your country of citizenship as soon as possible. Before you begin this application, you should make sure that you are aware of all deadline dates and requirements.
5. Incomplete applications will not be considered.
6. Do not mention the names of any U.S. universities you wish to attend in this application. The University Preferences Sheet is included for that purpose.

### APPLICATION

*A complete application consists of the following components:*

#### I. COVER SHEET

#### II. APPLICATION

In the first six pages you will state biographical information, study objectives, curriculum vitae, and other information.

Often specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. In addition, please review the following important information.

**Item 1—Name:** It is very important that you list your name exactly as it appears (or will appear) on your passport.

**Item 14—Institutions Attended:** Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree.

**Item 28—Study/Research Objective:** The study/research objective description that you provide is an essential and highly important part of your application. You should take great care to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study and specific research you plan to pursue.

**Item 29—Personal Statement:** The personal statement is a narrative statement in which you can include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in the U.S.

**Item 30—Additional Information:** This is not a required page; however, please feel free to use this page to give additional information about yourself or to insert a complete curriculum vitae or resume.

**Page 7—Personal Information:** The information provided on this form will be used by the International Fulbright Science and Technology Award Office and IIE for internal purposes only.

**Item 32 — National Identification #:** This item is not required. However, if your country or state assigns a national identification number, please enter it here.

**Page 8—University Preference:** Please note carefully, it is **not** an expectation that you will have U.S. university preferences. However, if you do, please be specific. Do not just list the name of a university. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual.

If you have applied to a U.S. university within the past three years, please list the programs and the results. If you have letters of admission, letters of invitation, or other correspondence from a school, especially a preferred program, please forward a copy (not the original) of this correspondence to the Fulbright Program Office in your country of citizenship.

**Page 9—Student Record Card:** Complete the top section only. The remaining section is for office use.

### III. SUPPLEMENTAL FORMS

- 1. Letter of Reference/Recommendation:** You must have three letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work related letter should be included among the letters. The letters should be written in English if possible. If they are not, an original English translation must be provided.
- 2. Report on Proficiency in English:** Complete only the top section of this form and have the remaining portion completed by one of the types of certified English language evaluators listed on the form. Your language evaluator should return this form directly to the Fulbright Program Office.
- 3. Information Concerning Foreign Student Academic Records:** In order to assist U.S. academic institutions in evaluating more accurately your academic credentials, this form allows you to provide information about the educational and grading system in the country where you did postsecondary study. A separate form should be completed for each college or university attended.
- 4. Transcript Release Form (for post-secondary U.S. transcripts only):** This form is needed for those students who attended a post-secondary program (undergraduate or graduate) in the U.S. The fees for acquiring multiple copies of U.S. postsecondary transcripts will be covered by the International Fulbright Science and Technology Award.

### IV. SUPPORTING DOCUMENTATION

#### 1. Transcripts

Applicants must attach official, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- One certified, official record (transcript) from each university or post-secondary institution you attended, even those schools from which you did not receive a degree or diploma. These transcripts should list the subjects you studied and the grades you received during each year of your enrollment. Include all post-secondary institutions you have attended, even those from which you did not receive a degree or diploma. Official transcripts must be submitted in sealed envelopes.
- Certified, official evidence of each post-secondary or university degree, diploma or certificate awarded to you should be included as part of the completed application.
- Five copies of original transcripts for any coursework (graduate or undergraduate) done in the United States. Complete the transcript release form.

#### 2. Standardized Tests

You are required to take one or more of the following standardized tests to gain admission to U.S. universities. For instructions on registration, contact your Fulbright Commission, U.S. Embassy, or the Educational Testing Service at your Regional Registration Center or at Princeton, New Jersey 08541, USA.

##### 1. Tests of English Language Proficiency:

a) **TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL):** TOEFL is an admissions requirement at U.S. institutions for applicants whose native language is not English. All non-native English speaking candidates should immediately register for TOEFL.

b) **TEST OF WRITTEN ENGLISH (TWE):** The TWE is designed to measure an individual's ability to communicate in written English. It consists of essay questions similar to those which students are expected to produce as part of their classroom work at colleges and universities in the United States. The TWE is only administered at paper and pencil TOEFL test locations. The TWE is included as part of the computer-based TOEFL (CBT-TOEFL) and the Internet based TOEFL (IBT).

**2. Graduate Records Examination (GRE):** The GRE is required by U.S. graduate schools and/or departments for candidates in most fields other than Business Administration and Law. Applicants should make every effort to register for the earliest possible test date.

**3. GRE Subject Tests:** These subject exams are increasingly becoming a requirement for departmental review. All graduate candidates should make every effort to take the appropriate GRE Subject Test in their field of study when one is offered.

#### **IMPORTANT:**

You must indicate that you want your score reports sent to:

**Inst. Intl. Educ., New York (IIE)  
CODE NUMBER 2326**

You must be sure to indicate this code (**2326**) on the registration forms on the answer sheets provided at the time you take the examination.

FOR THE  
THE INTERNATIONAL FULBRIGHT SCIENCE AND TECHNOLOGY AWARD**

**Instructions:** You must sign and date this form and forward it to the Fulbright Program Office in your country of citizenship.

By my signature,

I authorize the International Fulbright Science and Technology Award Office or its administrative agency:

- 1) to receive, and/or to request my TOEFL, TWE, GRE, or any other test score reports;
- 2) to send any of the above score reports to U.S. institutions on my behalf;
- 3) to apply on my behalf to U.S. institutions;
- 4) to request and receive information on the status of my application, including financial aid, from U.S. institutions; and,
- 5) to accept and decline offers of admission and financial aid on my behalf.

AND

I certify that the information given in this application is complete and accurate to the best of my knowledge.

I understand that I am not entitled to hold, nor do I hold, U.S. citizenship or permanent residence.

I understand that formal award of a grant is dependent upon my acceptance to a U.S. institution for study and my eligibility for a visa to the United States.

Upon the completion of an authorized stay in the United States under the International Fulbright Science and Technology Award, I agree to return to my home country for two (2) years to fulfill my home residency requirement.
